

'Glass' one week 'The rest' the next

Recycling 2010

Glass is collected every second week and the rest of your recycling is collected every other week.

Preferably don't put me in a bag, just straight in the bin

The Calendar (on the reverse of this card) shows how the recycling collection service alternates. Pop it on your fridge as a reminder.

What if I put the wrong material out on the wrong week? A calendar will be placed in your Blue Bin to remind you. The material will not be picked up.

What if I can't remember which week we're up to? Make sure you keep the calendar (on reverse of this card) in a prominent place - or visit the Nelson City Council website www.nelsoncitycouncil.co.nz

What needs to be put in bags within the Blue Bin? Only paper - this is to stop it blowing away, and getting wet. All other materials can be washed and squashed and placed in your bin.

Can I get another Blue Bin so I can fill two at once? Yes - they are available from NELMAC for \$17.00.

Presenting your recycling:

- **Glass bottles and jars** - rinse out and preferably place straight in your bin, glass in plastic bags or boxes will be collected (boxes left).
- **Paper** - put into a plastic shopping bag (to stop it blowing away).
- **Plastic 1-7 (excluding styrofoam)** - rinse out and put straight into your bin. For more info on these plastic numbers go to www.nelsonrecycling.co.nz
- **Aluminium/metal cans** - rinse out and put straight into your bin.
- **Cardboard** - fold, tie and place on top of your bin.
